APEX Ergonomic Series Stacking Chair

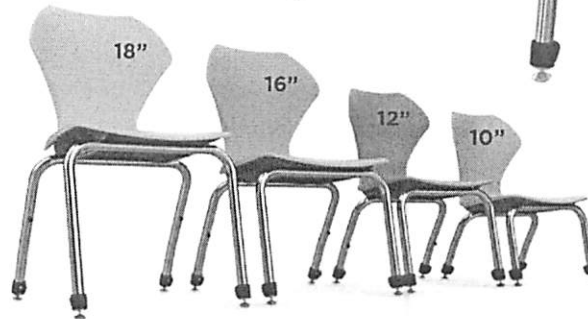

MODEL
38101

DESCRIPTION

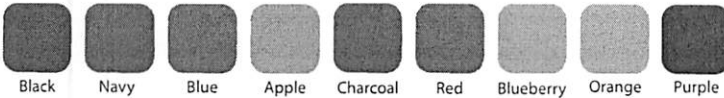

The Apex series chair is a modern and ergonomic design with a patented shape that is contoured to provide maximum comfort throughout the day. The seat has a contoured back that is shaped and angled for sitting upright or in a slightly reclined position. The front edge of the seat is swept downward for productive, over the desk task work. The stylish shape allows freedom of movement, functional support, and a great value.

FEATURES

- Available in 12", 14", 16" and 18" heights
- Brackets are welded to underside of frame for added strength
- Legs are constructed of 1-1/8" tubular steel and come in gray powder coat finish or chrome
- Nickel-plated, self-leveling nylon glides that reduce scratching and marring on school floors along with built-in cushions for noise reduction.
